

Isleham C of E Primary School Newsletter

A message from Miss Williamson...

Dear Parents and Carers,

I hope that you were able to make the most of the sunshine over the bank holiday weekend. Hopefully brighter and warmer days are ahead of us! It is hard to believe that we are halfway through the first part of the summer term. The children have been working really hard on their new topics and are looking forward to some exciting trips and visitors.

Next week our Year 6 pupils will be taking the Key Stage 2 Assessment Tests. The hard work that they have put in over the past year has been incredible, but here at Isleham we measure progress not just in test results, but in how they have developed into the wonderful, kind, talented and resilient learners that they are. As a treat, Year 6 pupils are welcome to join us for a special breakfast on each morning of the tests. We would appreciate any support from parents who may be able to help preparing, serving and tidying away.

Miss Williamson

Wellbeing Corner

Social media can sometimes make us, or our children, feel anxious, sad or overwhelmed. The Childline website has a fantastic page full of resources aimed at supporting children to use social media responsibly and advice to help them stay in control. They have top tips including the following ideas:

- **Get help if you see something upsetting**
- **Remember that what you see isn't always real**
- **Forget about 'likes'**
- **Be nice to other people**

ONLINE AND MOBILE SAFETY

Having a mobile phone and going online is great for lots of reasons. But it's important to be aware of the dangers too. Learn how to stay safe online.

Isleham Primary School
Registered Charity No. 1109379

Mobile Phones

Unfortunately, it has come to our attention that children have been using their mobile phones whilst on the school site. May I remind you that mobile phones must be switched off and not be visible within the school gates. Cameras must not be used under any circumstances until off the premises.

MATHS ROCKSTARS

Friday 24th May 2024

On Friday 24th May we will be having a special themed day to celebrate ask things maths and times tables! We would love it if you could dress up as rockstars ready to take part in maths and times table challenges and activities throughout the day. The children will have time to explore the Times Tables Rockstars App (www.trockstars.com) and compete in a range of exciting maths challenges - even against the teachers! I am looking forward to seeing all of your costumes on the final day before our May half term holiday!
