LET'S HEAR IT FOR THE BADDIES

Witch

I am just a little sick
Of being met with sneers,
Every panto I've been in
For years and years and years.
All I get is boo and hiss
Attacking my poor ears.

Witch, Spotty And Grotty

We are just a little sick
Of being met with sneers.
So.... Let's....

ALL

Hear it for the baddies!
Hear it for the baddies!
Cheer all the baddies for a
change!
Hiss at the goodies!
Hisssssss the goodies!
Boo all the goodies for a
change!
Here's what you must do:
Give a great big BOOOO!
Boo the goodies! Boo! Boo!
Boo the goodies!

Witch, Spotty And Grotty

We don't ever get to win,
We never save the day.
Always seems we're bound to
lose
In every single way.
All we want is just one time
To win a little 'yay'!
Just one time we'd like to
win,
Just once to save the day.
So... Let's...

ALL

Hear it for the baddies,
Hear it for the baddies.
Cheer all the baddies for a
change!
Hiss at the goodies!
Hisssssss the goodies!
Boo all the goodies for a
change!
What we want to hear is a
great big cheer!
Cheer the baddies! Hooray!

Hear it for the baddies,
Hear it for the baddies.
(x3)

Boom, boom, boom, boom,
Boom, boom, boom:
HEAR IT FOR THE BADDIES!

SPREAD A LITTLE MAGIC

GOOD FAIRY

I'm lost without my magic.
I simply don't know what to do,
I simply don't know what to do.
Without the power within me
There's nothing I can say or do
To make your smallest wish
come true.

I just want to put things right
And fix what's going wrong,
To heal where there is sickness
And turn sadness into song.
All I want to do
Is make your wish come true,
and...

ALL

Spread _____ a little magic,
(*just spread a little magic*)
Just a tiny spark.
Spread _____ a little magic.
(*just spread a little magic*)
Make a little wish
To lighten up the dark.

It only takes a droplet
Of magic in a dreary day
To send your weariness away.
It only takes a moment
To wave a magic wand around,
And then your frown hangs
upside down!

She just wants to put things
right
And fix what's going wrong,
To heal where there is sickness
And turn sadness into song.
All she wants to do
Is make your wish come true,
and...

Spread _____ a little magic
(*as before, twice*)

WE'RE OFF!

J/A/M/S

We're off! We're off!
We're off to help the goodies!
We're off! We're off!

John

We must be off our trolleys!

J/A/M/S

Watch us go! Enjoy the show!
We're off to save the panto!

Right side of 'Audience'

Hey, ho, off they go! (x3)
Watch them go! Enjoy the show!
They're off to save the panto!

Left side of 'Audience'

They've gone! They've gone!
They've gone to help the
goodies!
They've gone! They've gone!
They're on their way to save
the day!
They've gone! They've gone!
They must be off their trolleys!
Now they've gone
The show goes on –
They've gone to save the panto!

Right side of 'Audience'

(*sung with Left side
above*)

Gone, gone,
Gone, gone, gone! } (x3)
Now they've gone
The show goes on
They've gone to save
the panto!

IT'S GOTTA BE ME!

Apple White It's gotta be me
'Cos I'm the best,
Outshining all the rest!

Magnolia Oh no you're not!

A-Wh Oh yes I am!

Mag Oh no you're not!

A-Wh Oh yes I am!

Mag She's lost the plot!

A-Wh I'll get that man,
I'm heading for success!
I'm the one who's sweet and
fair,
There's none who can compare!

Mag But not up close!
You're far too gross!

A-Wh Oh no I'm not!

Mag Oh yes you are!

A-Wh Oh no I'm not!

Mag Oh yes you are!
You'll give the prince
a scare!

Mag Wait and see,
It's gonna be me!

A-Wh You'll see you're wrong
Before too long!

Apple White It's gotta be me
'cos I have style!

I must walk down the aisle!

Mag I'll fit the shoe,
So boo, hoo, hoo!

A-Wh You're such a bore,
He'll hit the floor!

Mag You think you're great
But just you wait,
The prince will be my
date! Na, na-na, na, na!

A-Wh It's my fate, I'll be his
wife, to have and hold
for life. (Ha, ha, ha!)

Mag You're far too thick!
You make me sick!

A-Wh Get lost quick!
You need a kick!

Mag You're such a swine!
The prince is mine!

A-Wh I'll be Prince
Charming's wife!

Mag Oh no, not on your life!

WHAT WOULD

YOU WISH?

Aladdin

What would you wish if you
could choose?

If just one wish was all you
could use?

Martin (OR J/A/M/S)

I'd wish for sweets

Ten metres high!

Aladdin

You'd have bad teeth:

They'd make you cry!

ALL Think again, think again,
Before you wish.

You must be so careful not
to Waste your precious wish!

Aladdin

What would you wish...

John (OR J/A/M/S)

I'd wish to stay in bed all day.

Aladdin

You'd only sleep your life
away.

ALL Think again, think again...

Aladdin

What would you wish...

Sara (OR J/A/M/S)

I'd wish to be a movie star!

Aladdin

Far better be just what you
are.

ALL Think again, think again...

Aladdin

What would you wish ...

ALISON (OR J/A/M/S)

I'd wish for peace

For me and you.

Aladdin

You never know,
It might come true!

ALL

That's the one, that's the one
That you should choose.
With a wish like that you'd
find

You simply couldn't lose.
(repeat)

MASTER PLAN

Baddies

Master plan! (x8)

Witch / Chorus &

Baddies

I've got a master plan!

She's got a master plan!

I'll do it if I can! *She'll do it,*

I'll rule the world!

She'll rule the world!

(Baddies: She's got a very cunning master plan!)

From Europe to Japan,

From Europe to Japan,

Each woman and each man,

They'll do it,

They will obey!

They will obey!

Witch / Baddies

Master plan, master plan

Working magic stronger than

All the goody-goodies in the

world can do.

Master plan, master plan,

Working magic stronger than

All the goody-goodies in the

world.

Chorus (on repeat)

Nasty plan, nasty plan,

We'll resist you if we can!

Baddies

Master plan! (x4)

Baddies & Witch /

Chorus

From dark and dirty lairs,

From dark and dirty lairs,

Sharp claws and tangled hair!

They're danger –

My creatures stray!

Her creatures stray!

(Baddies: She's got a very cunning master plan!)

Approach us if you dare,

Approach us if you dare,!

Confront our evil stare,

Don't do it!

We'll have our way!

They'll have their way!

Witch / Baddies

Master plan, master plan... etc.

Chorus (on repeat)

Nasty plan... etc.

STEP INTO LIGHT

Step into light,
You'll be all right.

(x2)

On your own,
You stand alone,
With troubles that you can't
undo.

No-one's there
To show they care,
To see what you're going
through,
And you can't see a way –
Don't know what to say
Or do.

Good Fairy

Feeling small,
You've blown it all,
And everything you've done
seems wrong.
Hold my hand,
I'll help you stand,
Together we'll get along,
'Cos together we're strong.

[DIALOGUE]

ALL

Move out of darkness,
Step into light.
Walk on the good side,
You'll be all right.
(x3)

Step into light,
You'll be all right!

GOODBYE!

Goodbye, goodbye,
goodbye
From all the baddies!
So long, so long, so long
From all the goodies!

Everyone's been busy,
Getting in a tizzy.
Makes you feel quite dizzy –
Excitement buzzing
everywhere!

Yes the time is right!
Enjoy the fun tonight
So everybody please
Join in and clap your hands!

It's time to have some
Fun and laughter
Now you're at the panto!
Fun and laughter
Now you're at the panto!
We're so glad you came to see
Tonight's show.
Come on, let's go!

Everybody's here (x4)
Now you've got to go (x4)

Bye-bye, bye-bye, bye-bye!
The show is over!
There is, there is, there is
No more to show yer!

Everything is ready!
Everything is steady!
Everyone is waiting for
The magic words: 'Go, go,
go!'

Yes the time is right...
(etc. as before)

Had a good time (x4)
At the pantomime!
