

Domestic Violence

What is domestic violence?

Domestic abuse is any type of controlling, bullying, threatening or violent behaviour between people in a relationship. The abuse can be physical, emotional, psychological, financial or sexual.

Abusive behaviour can occur in any relationship. It can continue even after the relationship has ended. Both men and women can be abused or abusers.

Witnessing domestic abuse is child abuse when seen by young people. Teenagers can suffer domestic abuse in their relationships.

How to get help

Speak to any member of staff at school.
