

Isleham C of E Primary School Newsletter

A message from Miss Williamson...

Dear Parents and Carers,

It has been a fun start to the half term, with Years 5 and 6 attending a football event, trips to the woods and the wonderful Reception class cafe. Year 2 have made some fantastic dinosaur models from clay to kick off their topic and the Year 6 classroom has been adorned with beautiful dream catcher designs.

This week sees my personal highlight of the school year - World Book Day. This year we are stepping away from tradition to provide the children with a range of opportunities all linked to pirate-themed books. From art, to writing, to computing, to PE, all subjects will be covered as the children join together with their house teams to read a variety of high quality children's literature. Please keep an eye out in your child's book bag for their free £1 book token too!

The Junior Travel Ambassadors have also been busy working on their spring campaign. The children will be presenting an assembly to the whole school launching another exciting competition!

If you have any questions or concerns, please do get in touch.

Miss Williamson

BIG WALK AND WHEEL

The Junior Travel Ambassadors would like to invite you to take part in this year's Big Walk and Wheel, organised by Sustrans. The aim is to inspire children to make active journeys to school, improve air quality in their neighbourhood and discover how these changes benefit their world. Active travel is a great way to build physical activity into children's daily routine. It helps them arrive to school more relaxed and alert, and is great for their mental wellbeing too. This year the challenge will run from **11-22 March 2024**. On each day of the challenge, schools compete to see who can record the greatest number of pupils walking, scooting or cycling to school. Good luck!
