BIRTHDAYS

Congratulations to the children who celebrate their birthdays this week.

BIRTHDAY ANNOUNCEMENTS

Some of you may be aware that Data Protection Regulations are changing in the UK with effect from 25th May 2018, which will affect how schools use the data you provide about your child and your family.

Since September 2016, we have been publishing the names of the children who are celebrating their birthdays on a weekly basis in the newsletter which goes out to other parents and Governors of the school. (Please note, full names and birthdates are never published in the online version of the newsletter).

Some parents have commented that their children like to see their name in the newsletter and other parents have commented that it is lovely to know when their child's classmates and friends are celebrating birthdays so that their child can make or send a card, or wish them a happy birthday on the day.

However, under the new data protection regulations, parents would need to consent to their child's birthday date being published in this way.

Therefore, it is my intention to continue the practice of announcing weekly birthdays until the end of this half term only, unless consent has been given...

*Parents of children in Year R to Year 5 (& Year 6 who have not yet celebrated their birthdays this year) are invited to **return the reply slip below if they wish their child's birthday to be included in the newsletter in future whilst their child is a pupil of the school.***

*Thank you in advance. **Please note that forms must be returned by 25th May 2018.** Obviously, I hope you will understand that if only a very limited number of parents return the form below, it may not be possible to continue the 'weekly birthdays' feature in our newsletters beyond 1st September 2018.*

Name of child _____

Birthday date _____

I am willing for my child's birthday to be listed in the school's weekly newsletter (for parents and Governors only) on the closest publication date before my child's birthday.

I am willing for this to happen annually whilst my child is a pupil at Isleham C of E Primary School.

I understand that I have the right to withdraw this consent at any time, and that I can do this by contacting the school office.
